3.2 Master Data Management

Manage master data including Vendor, GL, LOB, Department, Customer, Item, and Currency.

1. Vendor Master Screen and Configuration

The screenshot shows the 'Master Data Management' interface with the 'Vendor Master' tab selected. The table lists vendors with columns for Vendor Id, Vendor Name, Vendor Is An Individual Person, Address Line1, Address Line2, and Actions. The 'Edit' button for the first vendor is highlighted with a red box.

Vendor Id	Vendor Name	Vendor Is An Individual Person	Address Line1	Address Line2	Actions
V-24608	TROY REALTY AND APPRAISAL, INC		10553 MAIN STREET		Edit Delete
V-33005	NavX Realty, LLC		15 Commercial Way		Edit Delete
V-24307	Epperson Appraisals, LLC		9120 Iltis DR		Edit Delete

The screenshot shows the configuration modal for a vendor. The 'Save' button is highlighted with a red box. The modal includes fields for Pay Terms, Tax Id, GST / Use Tax Eligibility Configuration, TDS/Withhold Tax Applicability Configuration, TDS Percentage, TDS Section Code and Description, Workflow Applicability Configuration, Line Grouping, and Entity Id.

Pay Terms: Net 30
Tax Id:
GST / Use Tax Eligibility Configuration: ☒ Eligible
TDS/Withhold Tax Applicability Configuration: ☒ Yes
TDS Percentage: 0.02
TDS Section Code and Description: 194J - Technical Services
Workflow Applicability Configuration: ☒ Yes
Line Grouping: ☒ Yes
Entity Id:
Buttons: Cancel, Save

2. GL, LOB, Department, Customer, Item and Currency

The screenshot shows the 'Master Data Management' interface with the 'GL Master' tab selected. The table lists GL accounts with columns for Account Number, Title, Normal Balance, Require Department, Require Location, Period End Closing Type, and Actions. The 'Edit' button for the first account is highlighted with a red box.

Account Number	Title	Normal Balance	Require Department	Require Location	Period End Closing Type	Actions
10000	Bank-Petty Cash	Debit			Non-closing account	Edit Delete
10001	First Financial 8723-Collections	Debit			Non-closing account	Edit Delete
10002	First Financial 8139-Referral Fees	Debit			Non-closing account	Edit Delete
10003	First Financial 8731-Payroll	Debit			Non-closing account	Edit Delete
10004	First Financial 8749-Operations	Debit			Non-closing account	Edit Delete

3.3 Workflow Configuration

Configure vendor-based or codification-based workflows with multiple approval levels.

Vendor Based Workflows:

1. User selects a **vendor name**.
2. Defines the **number of approval levels**.
3. Optionally enables **threshold-based approval**.
4. Assigns **approvers** for each level.
5. Clicks **OK** to save the workflow.
